

Games, charts and multi-choice dress-ups are a popular theme for pop-out magnets.

The designs can be simple or complex, multi-coloured or black and white.

Puzzles can be in the form of word games, individual lettering or poetry.

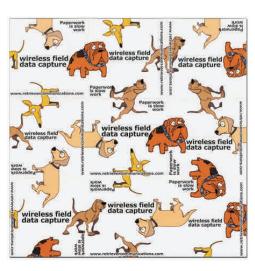

NOTE: ILLUSTRATIONS ARE NOT TO SCALE. MAGNETS ARE SUPPLIED HALF-CUT READY FOR PEELING APART OR "POPPING" OUT..

Dandy Puzzles & Pop-outs

Calendars, reward-charts, directories and educational aids take on a new personality when presented as a hands-on fridge magnet.

Virtually any idea can be realised as a pop-out magnet. There are some limitations as to the size of the individual pieces, and shapes work better as smooth outlines or curves.

REWARD:							

y bite counts, Lean red meat contains an impressive bundle of key nutrients: zinc, omega-3s and B12. That's why eating lean red meat 3-4 times a week your body and mind.

We were meant to eat bersamendomau

at it

Some of the designs shown in this catalogue are our standard shapes, but most have been made to order for our clients. This is where creativity counts. Use our experience and let us turn an ordinary magnet into something quite remarkable.
